Dear Sonnie and Gang:

Enclosed I am sending you our 1945 Annual Report. This copy is for your files. I am also sending the station policy as it was in effect during 1945. This copy is also for your files.

The new constitution will be ready, I hope, by March 1. At any rate, you shall receive a copy of it as soon as it is ready. There is a picture of our set-up when we broadcast the basketball games this past season.

Also enclosed is a list of big guns who used to be on the staff, and their home addresses as up to date as we can give them to you. Dave Linton had asked for this mailing list so that IBS could send out any news letters directly.

Due to my school work slipping, and I sure want to graduate in June, I am resigning from the position of Station Manager as of March 1. Bill Bryan '47 is the new Station Manager. He's a grand guy and has some great ideas for improvement, and I know the station will make great advances under his administration. I sure have enjoyed knowing and working with you all, and it's been very interesting and lots of fun. I am truly sorry that I can't do it any longer, although I'll be only too glad to help Bill Bryan and the gang here in Princeton, as well as you all in New York, in any way possible.

Best of luck to IBS and to the bunch up there.

Sincerely yours,

Paul J. Schumacher
Station Manager
